

Global Conference

DOHA

16-18 February 2009

"The Doha Conference will be a pivotal event in consolidating the EITI as the global standard for transparency in resource revenue management."

Dr Peter Eigen, Chairman of the
EITI International Board

From **16-18 February 2009** Qatar will host the 4th EITI Global Conference. Over 500 government, company and civil society leaders will meet to discuss the future of transparency and good governance in the extractive industries.

Confirmed keynote speakers include:

- President Ellen Johnson-Sirleaf of the Republic of Liberia
- President Ernest Bai Koroma of the Republic of Sierra Leone
- Jeroen van der Veer, Chief Executive Officer of Royal Dutch Shell
- Jesús Reyes-Heroles, General Director of PEMEX
- George Soros, founder of the Soros Foundation
